

# GOLD COAST ATTRACTIONS GALORE FOR YOUR PLEASURE!

One of the reasons that the Gold Coast continues to be Australia's favourite holiday destination is because of its huge variety of attractions for all ages. And the best part of all is that our Resort is located not far from all of the fabulous Gold Coast attractions.

Whether you want to visit Warner Bros. Movie World, Sea World, Wet 'n Wild Water World or Dreamworld, all four fabulous theme parks are only a short drive from Greenmount Beach Resort.

Or perhaps you'd like to experience the thrill of whale watching via the 'Spirit of the Bay Cruise' which departs nearby!

And remember, there's loads of other attractions and things to do within a short drive from our Resort. Jupiter's Casino is always a popular destination, with its entertainment, gaming and numerous restaurants. Surfers Paradise needs no explanation and is also a short drive from your hotel room. Just close your eyes for a minute and imagine sipping on a latté in Broadbeach, Marina Mirage, Tedder Avenue, Main Beach, or in the heart of Surfers Paradise.
